

A photograph of an event space decorated for autumn. In the foreground, a wooden bench is adorned with a plaid blanket, a white pillow with event logos, and a red pillow. Two large, leafy branches with orange and yellow leaves are positioned on either side of the bench. In the background, a stage area is visible with a screen displaying 'The EVENT' and several people standing around. The lighting is warm and orange, creating a cozy atmosphere.

MMECANADA.COM

“On behalf of Lorraine and the Coaching Association of Canada, I wanted to thank you and your team for your incredible décor you provided for the 2018 Petro-Canada Sport Leadership sportif conference and Awards Gala. It was a pleasure working with Mastermind Events. The Gala room was beautiful and many made note of it to our team. Your team contributed towards a very successful Gala and delegate experience.

On behalf of the CAC, thank you for contributing to this memorable event. We hope your team had a good experience working with us.”

Natalie Rumscheidt
Director of Marketing
Coaching Association of Canada

“Working with Mastermind was a dream come true. Jen is an angel, turning what is often a very stressful time into an easy and relaxed experience. She was so calming and reliable, always there to answer questions and make sure everything was just right so I didn’t have to worry. She made our wedding celebration not only beautiful, but completely stress free. We could not have done it without her and the fabulous team at Mastermind. Thank you for everything!”- Kaleigh K.
